Part C: Short Answer

Answer each question in one or two complete sentences.

1. What is a pronoun, and why do we use pronouns in writing?

A pronoun is a word like he, she, or they that replaces a noun. We use pronouns so we do not repeat the same noun over and over.

2. Give an example of a preposition used in a sentence and explain what it shows.

In "The book is on the table," the preposition "on" shows where the book is located in relation to the table.
