

# Roots, Prefixes & Suffixes

Name: \_\_\_\_\_

Date: \_\_\_\_\_

Grade: Grade 5

## Part A: Multiple Choice

Circle the best answer for each question.

1. The word "invisible" contains the prefix in- (not) and the root vis (see). What does invisible most likely mean?

- A) Very easy to find
- B) Not able to be seen
- C) Seen from far away
- D) Looked at carefully

2. If the root struct means "build" and the prefix de- means "undo," what does the word "destruct" most likely mean?

- A) To build something new
- B) To tear down or destroy
- C) To build again from scratch
- D) To study building methods

3. The word "transcontinental" combines trans- (across) and a root from "continent." What does transcontinental mean?

- A) Under one continent
- B) Near a continent
- C) Crossing from one continent to another
- D) Before continents existed

4. If the root dict means "say" and the prefix pre- means "before," what does the word "predict" mean?

- A) To say something again loudly
- B) To speak clearly to an audience
- C) To say what will happen before it occurs
- D) To disagree with what someone said

## Part B: Fill in the Blank

Write the correct answer on each line.

1. The word "submarine" combines the prefix sub- (under) and the Latin root mare (sea), so it means a vessel that travels \_\_\_\_\_ the sea.

2. Knowing that the root aud means "hear," you can figure out that an \_\_\_\_\_ is a tryout where someone listens to a performer.

3. The word "transportation" combines the root port (carry) with the prefix trans- (across) and the suffix -ation, meaning the act of \_\_\_\_\_ something across a distance.

4. If graph means "write" and auto means "self," then an autobiography is a life story \_\_\_\_\_ by the person it is about.

5. The prefix inter- means "between," so an \_\_\_\_\_ flight travels between two countries.

**Part A: Multiple Choice**

Circle the best answer for each question.

1. The word "invisible" contains the prefix in- (not) and the root vis (see). What does invisible most likely mean?

- A) Very easy to find
- B) Not able to be seen**
- C) Seen from far away
- D) Looked at carefully

2. If the root struct means "build" and the prefix de- means "undo," what does the word "destruct" most likely mean?

- A) To build something new
- B) To tear down or destroy**
- C) To build again from scratch
- D) To study building methods

3. The word "transcontinental" combines trans- (across) and a root from "continent." What does transcontinental mean?

- A) Under one continent
- B) Near a continent
- C) Crossing from one continent to another**
- D) Before continents existed

4. If the root dict means "say" and the prefix pre- means "before," what does the word "predict" mean?

- A) To say something again loudly
- B) To speak clearly to an audience
- C) To say what will happen before it occurs**
- D) To disagree with what someone said

**Part B: Fill in the Blank**

Write the correct answer on each line.

1. The word "submarine" combines the prefix sub- (under) and the Latin root mare (sea), so it means a vessel that travels under the sea.

2. Knowing that the root aud means "hear," you can figure out that an audition is a tryout where someone listens to a performer.

3. The word "transportation" combines the root port (carry) with the prefix trans- (across) and the suffix -ation, meaning the act of carrying something across a distance.

4. If graph means "write" and auto means "self," then an autobiography is a life story written by the person it is about.

5. The prefix inter- means "between," so an international flight travels between two countries.
